

HOW WOULD YOU DESCRIBE YOUR CLUB'S MISSION?

The game brings back memories for so many of us, so our goal is really about having fun. We hold formal meetings four times per year, but most of the business is done at the pits. League play is Tuesday mornings and open play is Wednesday mornings.

TELL US ABOUT AN INTERESTING EVENT.

Monthly club tournaments are always great events. Those run from October through March.

IF YOUR CLUB HAD A THEME SONG, WHAT WOULD IT BE?

"Just Good Ol' Boys," by Waylon Jennings.

SHARE A CLUB ACCOMPLISHMENT THAT MAKES YOU AND OTHER MEMBERS PROUD.

Four of our players rank in the top 15 out of 250 NHPA members in the state of Florida. Two members are also hall-of-famers. We have a woman who was second in the country, with the highest percent over average!

WHAT ARE YOUR HOPES AND PLANS FOR THE FUTURE?

We hope to have more men and woman come out to play and learn the game of horseshoes. The game has been such a significant part of our retirement lives. Several of our members practice multiple times weekly and many of our pitchers are members of a travel league, which includes teams from four nearby counties. The teams travel around to different courts to compete, and it's a great way to meet other horseshoe pitchers in Florida, and to show off the Villages facilities.

WHERE CAN WE FIND YOU?

The Villages Paul Kanyuch Memorial Horseshoe Facility is located in Lady Lake, FL. on Paradise Drive just east of US highway 441/27. We have 12 clay courts with lots of shady oak trees. Restrooms and cold water are available at the horseshoe courts. The courts are open to Villages residents and guests during daylight hours.
